## *WELCOME TO THE JULY 2019 NEWSLETTER*

### **Dear Fellow Tinmoggers**

In June, we enjoyed a skittles evening in Luxulyan in the clay country of Cornwall. We had previously held a similar event last November but the alley, being in a separate building, was very, very cold. We had thought it would be a good idea to repeat the event in the summer. However....., it was still cold in the alley, but the group had a great time having been warmed up, albeit slightly, by a good meal in the pub beforehand. See below for write up.

August is a quiet month for the Club as it is impossible to arrange a run or meet due to the increase in traffic on the roads. Normal Club service will resume in mid-September.

### **Tinmog Skittles Evening**

After an exceedingly chilly attempt at a skittles evening last November, another evening was booked for mid June. After all it had to be warm and sunny....didn't it? But no, on Thursday June 13th ten hardy Tinmoggers enjoyed an excellent bar meal at the King's Arms, Luxulyan, before venturing into the bowling alley there for a game of skittles. The weather was particularly unseasonal, but jumpers and jackets enabled us to make the most of the evening. The team result – ladies v. men – was a victory for the men, but Max who organised the event awarded a prize to the highest scoring man – Brian – and the highest scoring lady – Shirley. Our thanks go to Max for arranging the evening and donating the two bottles of wine for prizes. Maybe if we return it could be third time lucky for a warmer evening?

## Lunch at the Olive Grove

On Thursday July 11<sup>th</sup> eighteen Tinmoggers gathered for an al fresco lunch at the Olive Grove Bistro, near Perranaworthal. Clive and Moyra who had organised the lunch obviously had the right contacts as it was a gloriously sunny day. Tinmog events are generally fortunate with weather the exception seeming to be skittles evenings!

We have had two previous meetings at the Olive grove, both in the evenings, which have been very successful and this year's was equally so. A very convivial two hours or more was spent eating (excellent food) and chatting. It was generally agreed the venue made an excellent summer meeting place and it was good to see members who are not regular participants at our lunches. Our thanks go to Clive and Moyra for organising the event.
